This year's annual is REALLY different!

Some things are the same. The PANTHER TRAILS will always serve the purpose of a memory book; it continues the tradition of a green cover and, of course, it bears the same name.

The KEY to the difference is the date! No other Amphitheater yearbook has ever had 1963 emblazoned on its cover. Therefore, no other Amphi annual has ever had the same people doing the same things in the same ways.

Each of us is an individual, and collectively we are a school. The purpose of a yearbook is to portray the individual and collective character of a school.

In the 1963 PANTHER TRAILS, the individual image is displayed throughout the book: but the collective image — the spirit of Amphi as depicted by the bespectacled student — is found on the division pages.

Mister Marshall Sir!

. . . and I graduated from high school when I was three, tried to get into World War II but the master sergeant told me to pin my diaper and get out.

. . . and then I joined the OSS and became a spy in the WACs . . . but it didn't take me long to figure that out!

To a real swell girl
lots of luck

. . . that's right! My wife weighs 120 lbs. and I weigh mmmblurgfff.

Dear Sir

We, the graduating class of '63, are proud to dedicate this year's PANTHER TRAILS to you.

We hope you will realize that this is truly a gesture of appreciation. As a teacher, as a friend and as a graduation leader you have helped to equip seniors for the road of life in immeasurable and priceless ways.

We thank you — Mister Marshall, sir!

Senior Party

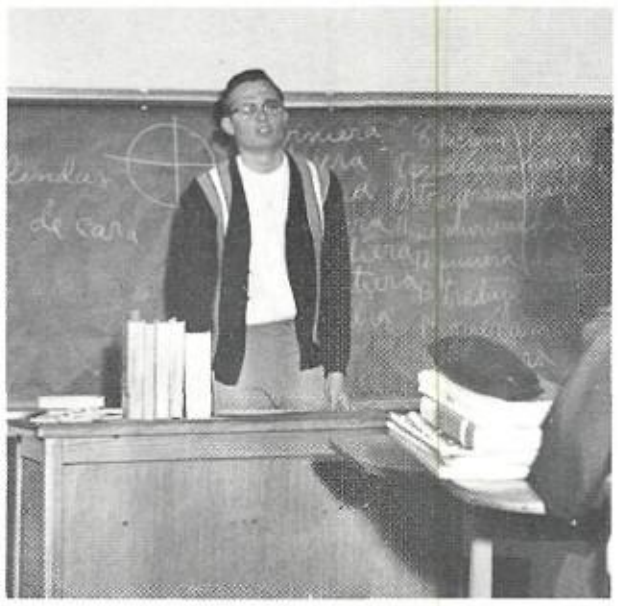
"We've been wondering where it came from too."

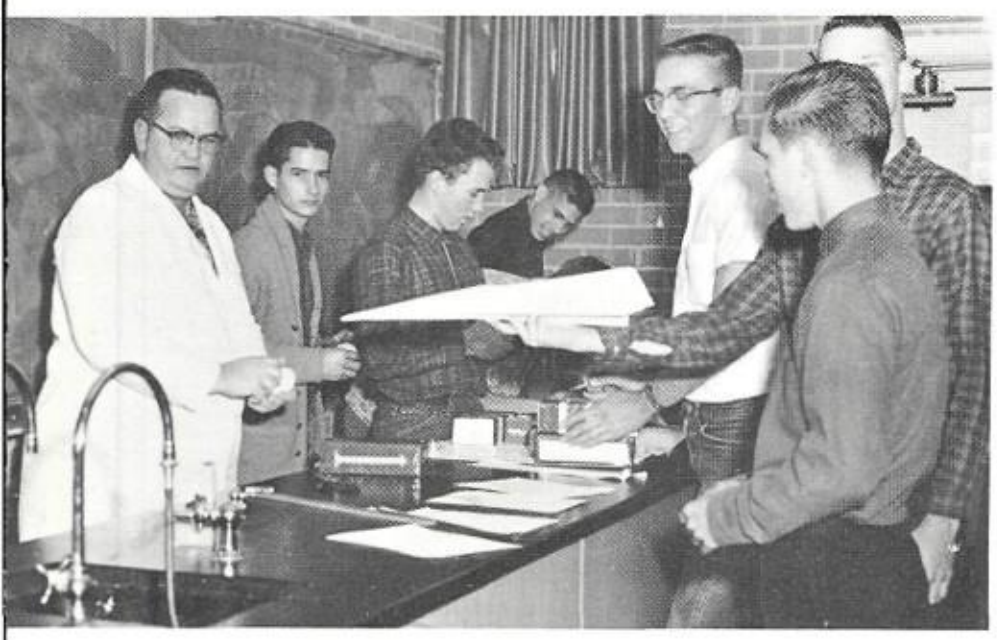
The Senior Class presented its annual Christmas party December 20. The theme which was White Christmas was carried out by blue and silver decorations. Cary Cook was the commentator and Jean Ann Dick was chosen Miss Mistletoe.

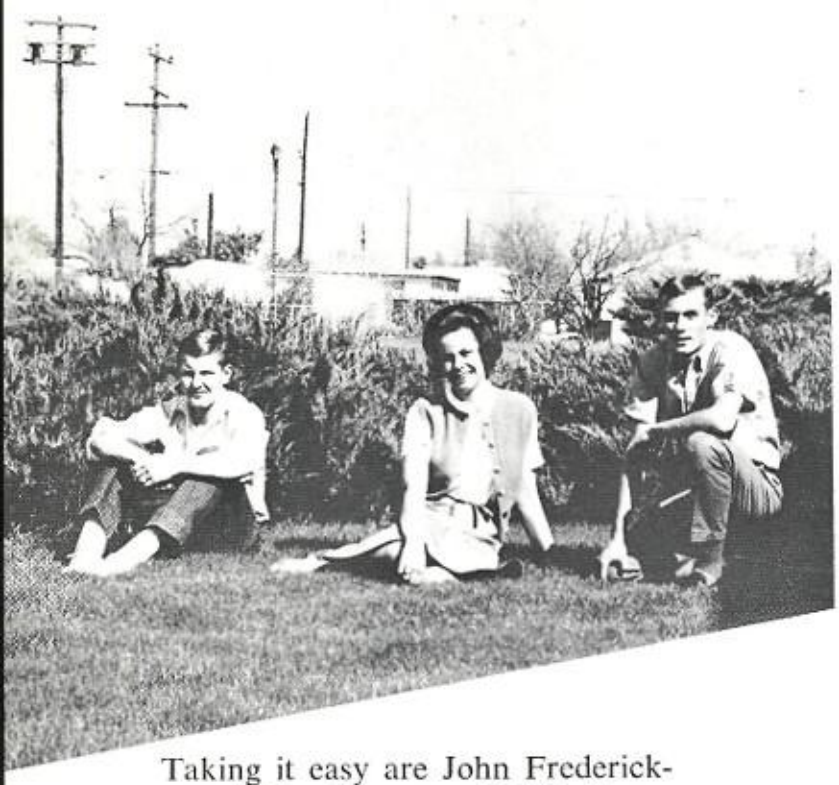
"Let's see now, that question was two plus two . . .

"Yes, now it's exactly three feet from the floor."

TYPICAL DAY

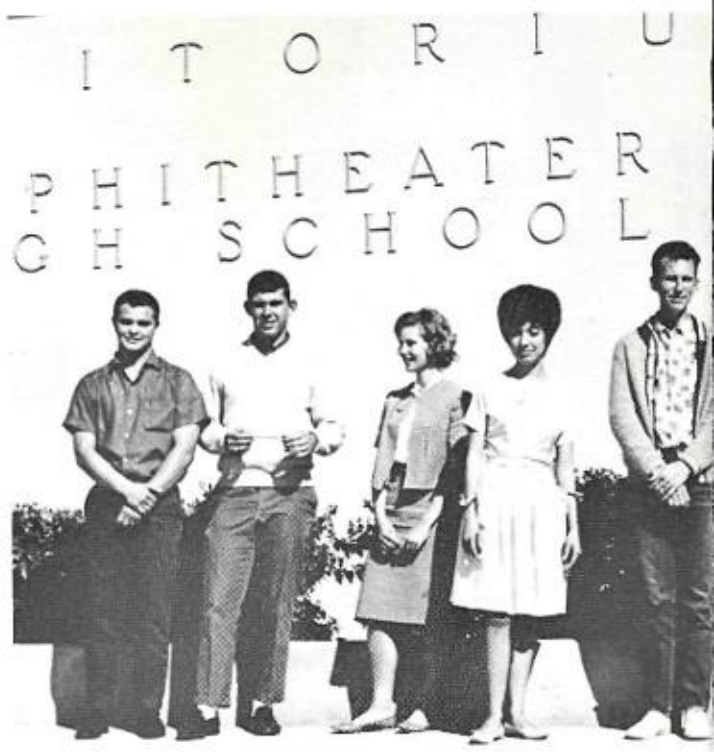






Taking it easy are John Frederickson, Sally Vance, and Jeff Drew.

Throughout the year many different fads, fashions, and coiffures were worn and seen on the Amphi campus. On this page are just a few of the typical styles which gained popularity.



Fred Schmalenberg, Cliff Winn, Anne Bock, Maggie Han, and Brad Benson seem to be enjoying their free time.

FADS IN FASHION

At the far left are Tad Dean, Shirley Rucker, and Carol Schoenberger.

Involved in discussion are Eric Steffens, Pepper Marich, Ron Clark, and Maxine Goodman.

Girls' P. E.

Girls' physical education covers many activities, too numerous to mention. Not would these activities be difficult to mention but impossible to picture. Some of the activities of the girls in this class are pictured here.

Physical education and health training is a very important part of the training and knowledge the girls must have and know.

Boys' P. E.

It would be impossible to picture all the activities that go on in boys' physical education, but here on this page you will find a few representative pictures of this class. Much has been said during this past year on physical conditioning, and this class does much for the boys in this respect.

The senior class of 1963 completed four years of exemplary leadership and service, at Amphitheater, with baccalaureate and graduation services.

Numerous members of the class participated in Senior Days at the U of A, A.S.C., at Flagstaff, and A.S.U. to which Pamela Kaufman and Linda Lohman, respectively, were sent as princesses and Gail Neal as representative.

Among the seniors chosen as royalty were Patsy Hand and Joe Frannea, who reigned over A-Day activities with Senior Attendant Barbara Marich.

The traditional senior Christmas party, held on December 20, was the highlight of the senior year at which Jean Dick was named Miss Mistletoe.

February brought Rodeo Week with Rodeo Queen Martha Mansur and Senior Attendant Sally Potter.

April and May were a bevy of activities with plans for the school carnival and the Senior Day picnic.

Megan Thurmond was editor-in-chief of the Panther Trails and Tom Martin edited the Desert Gazette twice monthly.

The class was guided in its activities by Mrs. Cooper, advisor; Bradley Benson, president; Jeri Miller, vice president; Susan Wallace, secretary; Janice Gibson, treasurer; and Ingrid Eckholm, Jane Pennington, and Jim Hines, representatives.

The student body officers were Peter Marsrall, president Shirley Rucker, vice president; Ann Bailey, secretary; Mary Giltner, treasurer.

"Amazons get your twirps," held in February, was one of the many activities sponsored by the Junior Class. During Twirp Week a set of events was offered by the class to raise funds for the Junior-Senior Prom. On Monday "Please Don't Eat The Daisys" was shown, on Tuesday a basketball game between the women faculty and the junior girls was held, Wednesday a talent show, and on Friday an "Oakie Stomp," during the dance the "most eligible bachelor," was announced. The juniors were very pleased to learn Charlie Rucker was "the man."

A barbeque was planned for hungry rooters before the anual A-Day bonfire, held on Thursday night for the big game on Friday.

The Junior-Senior Prom will be held in the spring with the possibility of having it at the new and beautiful Skyline Country Club.

The class rings were nice Christmas presents to display with pride.

Susan Farquhar accepted the honor of A-Day attendant. Connie Miles represented the juniors as Rodeo attendant, and FFA Chapter Sweetheart will be one of three, Patti Nussbaum, Pam Place, or Sally Vance.

The freshmen class began the year with the largest group of boys and girls to ever invade the halls of Amphitheater.

They were soon in the swing of things, hurrying from class to class with a load of books. But these scholarly pursuits did not hinder them from getting into the social whirl. They elected Betty Roberts as A-Day attendant, Karen Rucker as Rodeo attendant, and Gary Marsh as their candidate for the "Most Eligible Bachelor".

The freshmen football team completed the season with a 4-4 record, showing future hopes for Amphitheater. The basketball team came through with a 9-9 season, led by high point man Ronald Sauer. These sportsmen were cheered on by freshmen cheerleaders Susan Orr, Cindy Popp, and Becky Vaugh.

This year's freshmen officers are Sandy Catron, president; Robert Gibson, vice president; Nancy Woods, secretary; Kay Thompson, treasurer.

Having passed the "Frosh" stage, this year's underclassmen are looking forward to joining the ranks of the "old-timers".

THINK TOUGH!

Zip Zoldot can't stand himself. Years ago, when he was in school, he procrastinated away the opportunity to start a life insurance program. Today, at 41, he's very much aware of the many benefits he passed up. You see, the earlier you start life insurance, the lower your premium. And the policy begins to build cash values while you're younger. Also, if you wait, there is the risk of becoming physically ineligible for it. Or, you might choose an occupation that makes you ineligible. Take a tip from Zip: be tough with yourself about taking our life insurance. Now is the best time!

Barbara,

Well you want me to write a lot so I will here go. It's been fun with you in Social Studies and we sure know how to gossip. I wish you would have had better luck with Steve but that's still in the past. I think I'm going to run out of colors but who cares. I hope that in the future your love life is happier than it has been. But well you have to hurt a little to be happy. at least it makes you appreciate the happiness when you get it. Thanks for the advice about love but I sure don't need that (need that) How do I? I sure hate to see the seniors leave it makes me wish I were one of them. I hope to be one someday. I hope that when you graduate you can become what you want and I sure hope you get who you want. Well summer is here and I'm not sure wether I want it to end But I guess you do. be good and hope fun if you can do both! Well have a good time & get tanned! Lots of Luck

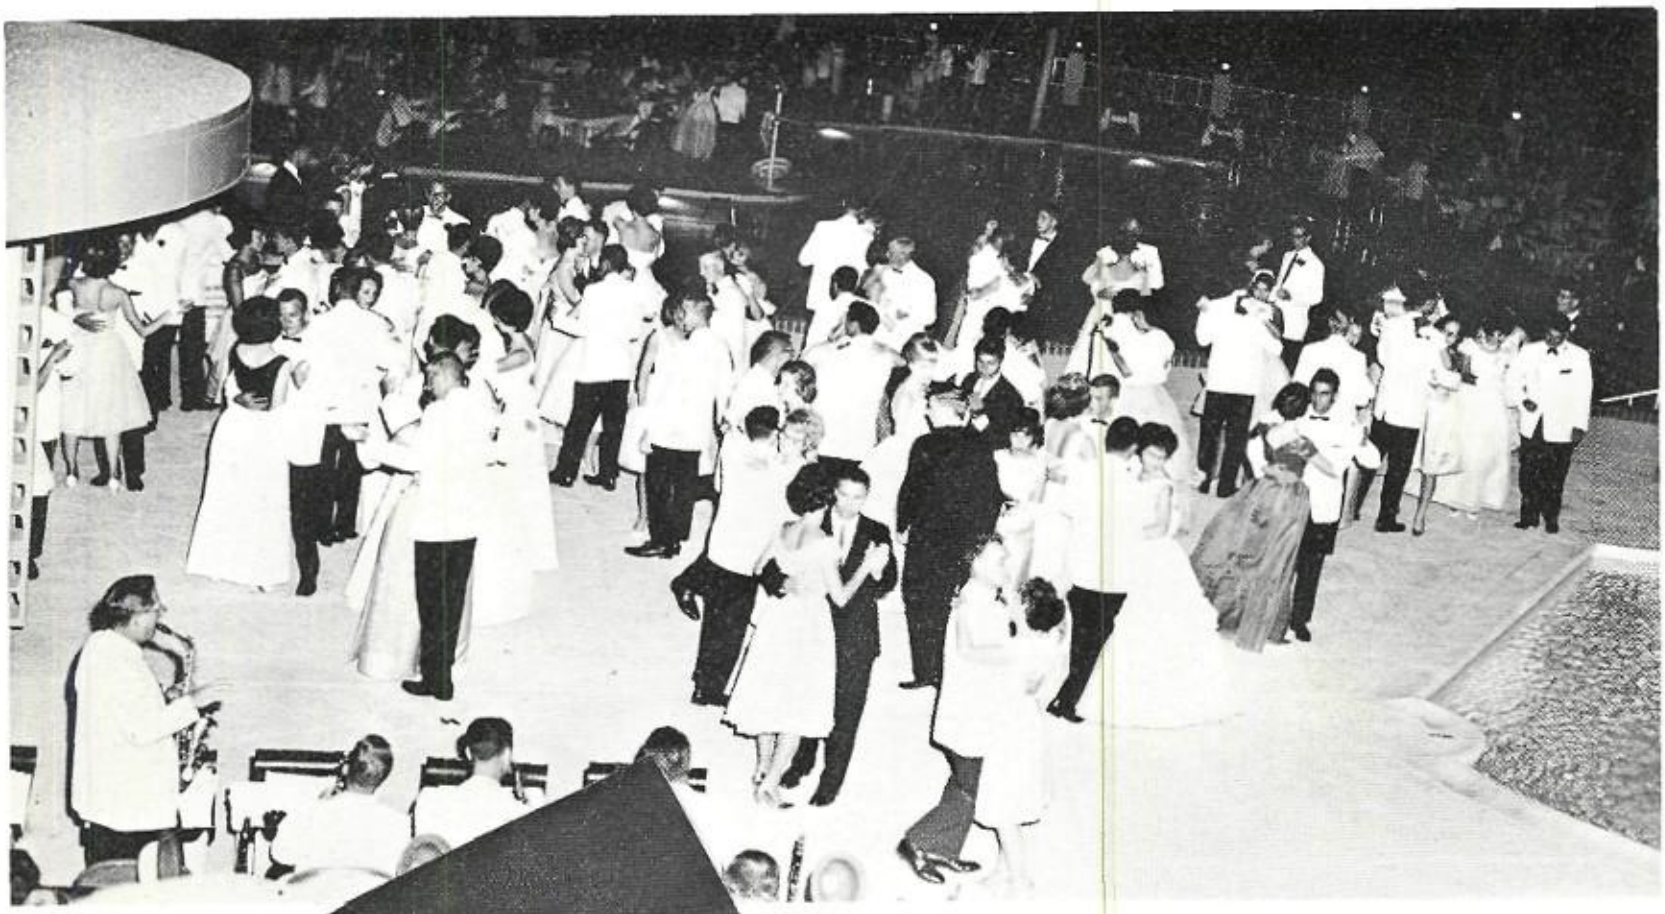
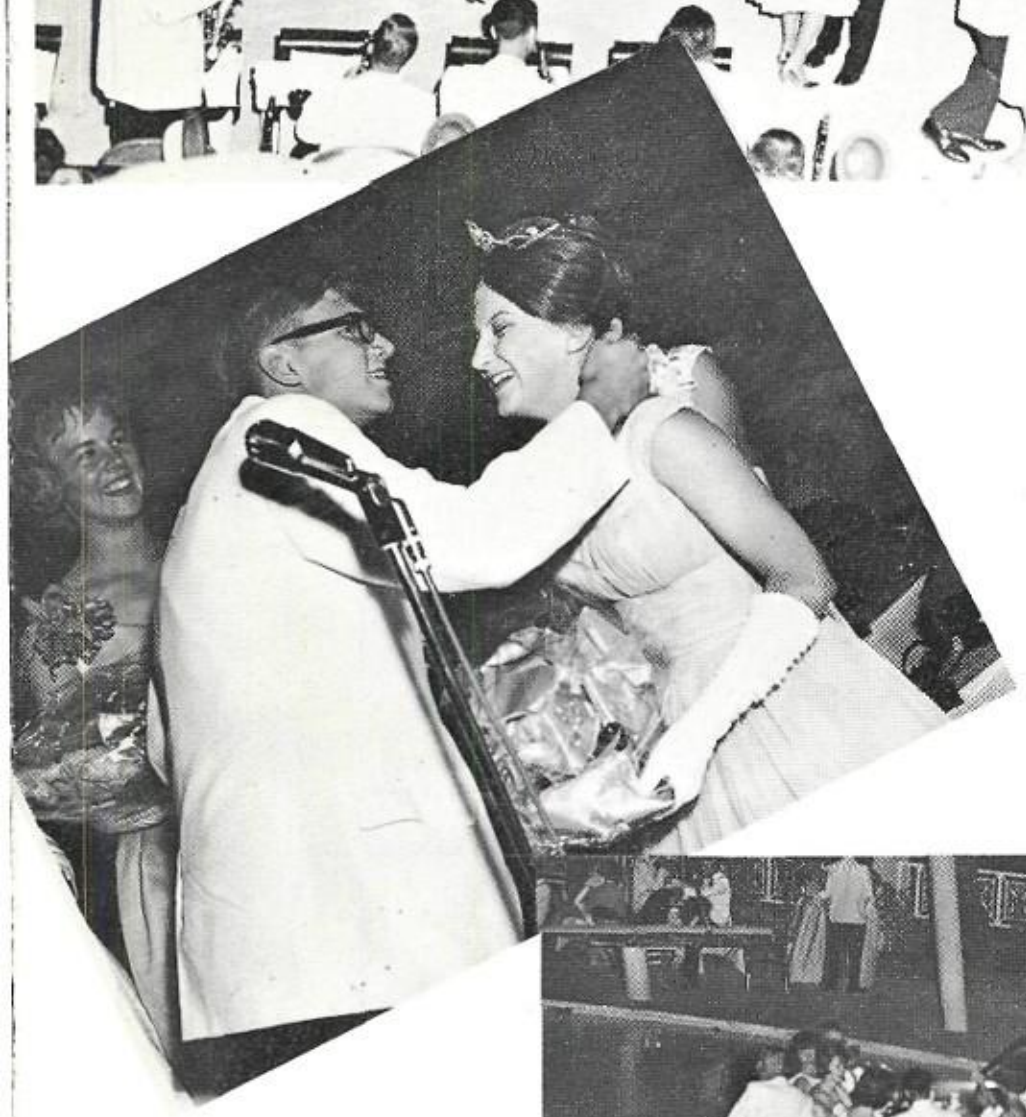
SOUND of MUSIC





"The Sound of Music" was the theme of the annual Junior-Senior Prom which took place Saturday, May 28 in the Skyline Country Club.

Couples danced amid decorations of white gardenias and red candles. The programs contained tiny gold pins in the shapes of various musical instruments.

Barbara Mann reigned as queen and was attended by Shirley Rucker, Alice Barry and Ann Bailey. "Mr. Roberts" was shown at the Catalina Theater and the after-prom breakfast was at the Santa Rita.

Valedictorian Martha Mansur

CLASS

The finale of twelve years of schooling was finally reached by the graduating class of 1963 on June 7. "There is no knowledge that is not power," was the motto chosen by the class. The Lily of the Valley was the class flower, and the class colors were ice blue and silver.

Rev. William S. Dion, of Our Savior's Lutheran Church, gave the Baccalaureate address June 3. The annual Baccalaureate service was held in the Amphitheater High School Auditorium. Seniors Laurel Mosz and Mike Willock gave the invocation and benediction.

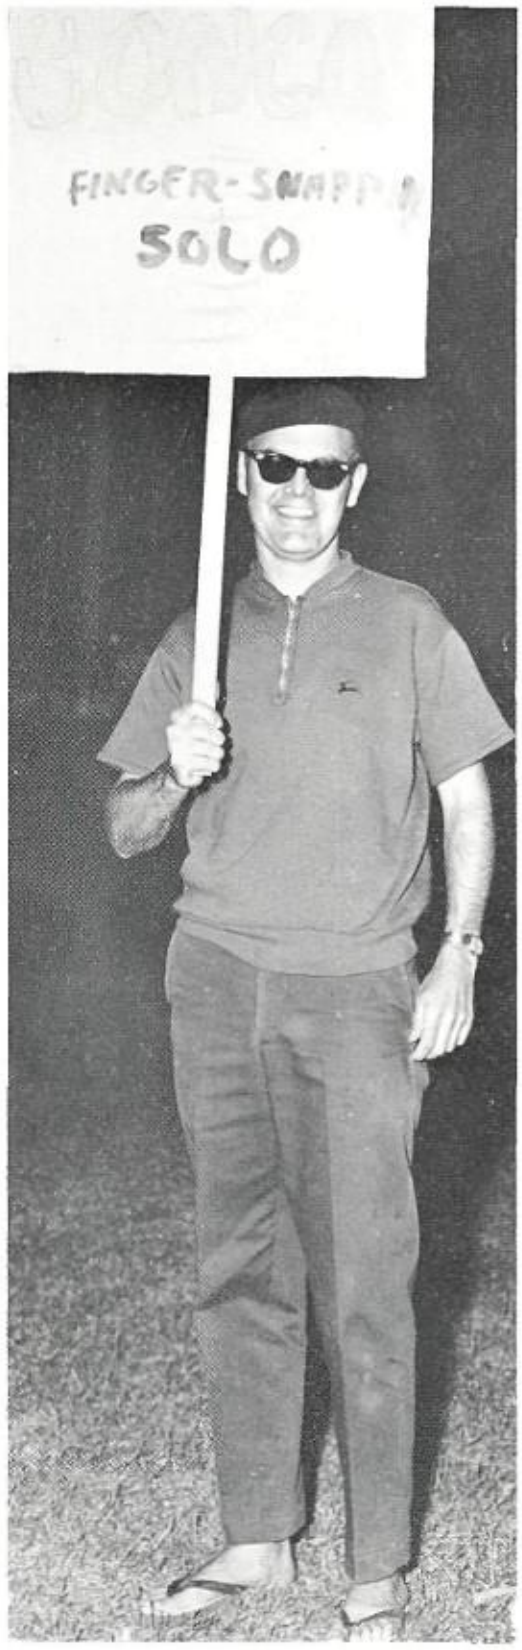
CARNIVAL



On the night of April 20, students were once again found at the school, but not for studious purposes. April 20 was the night of the all-school carnival. Participants could have their palms read, be thrilled at the spook house, dunk a favorite person, or become a beatnik in the coffee house.

The purpose of the carnival is to raise money for the A.F.S. program. Each club was to give one-half of their profit to A.F.S.
